Combine your favourite pastime with the new Granite Belt Bike Trail, a marked 34km trail along country roads. Start at the picturesque creekscape in Queensland's high altitude, cool climate town of Stanthorpe and meander your way through quaint country villages towards Ballandean, Queensland's most rewarded wine region.

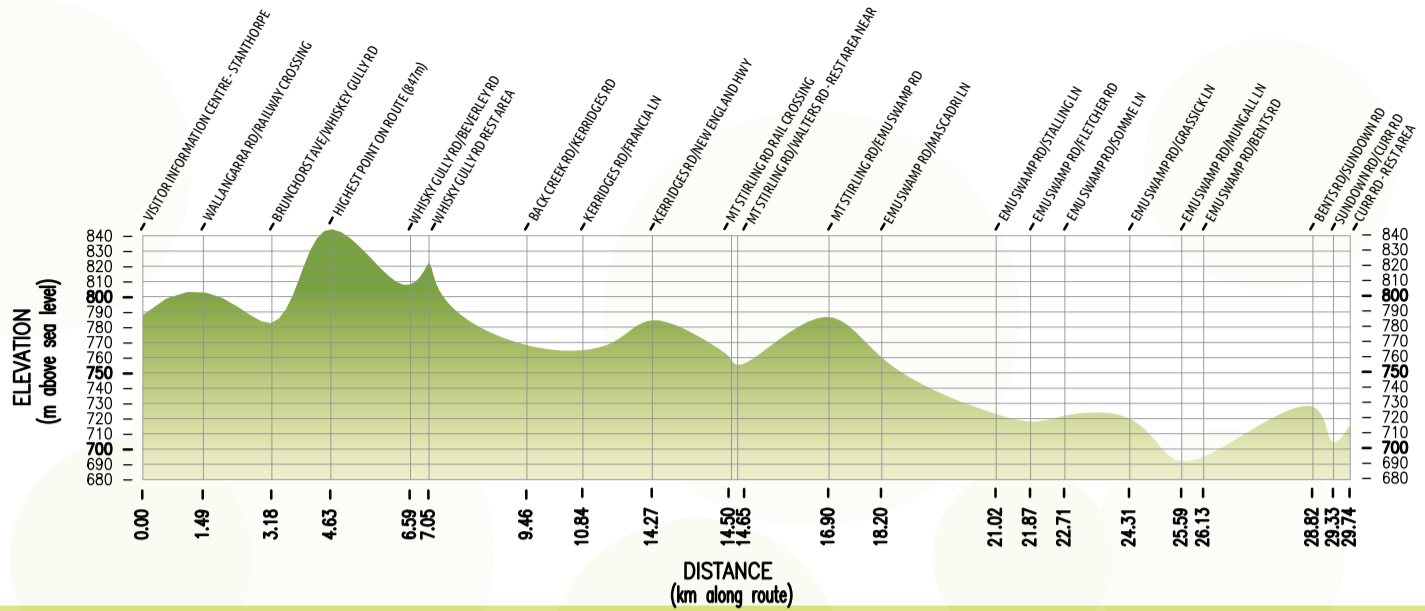

Work up an appetite as you pedal to award winning restaurants, cafes and wineries. Breathe in the fresh air and appreciate the country lifestyle with views of Granite outcrops nestled amongst vineyards, wildflowers and fruit blossoms.

Stop at a winery, cafe, restaurant or food producer along the way with over 20 places to choose from, most no more than a kilometre off the cycle trail.

Rest stops, signage, toilets and bike racks are provided en-route to ensure your journey is comfortable, safe and memorable.

The bike trail is shared use with motor vehicles so we do ask that you take care, be safe and be aware of your surroundings.

## Route Elevation

You don't have to travel to Italy to enjoy a cycle along country roads where you can chat to a farmer, enjoy a pomodoro salad plucked straight from Nona's garden and wash it down with a Vermentino, Nero d'Avola or pinot grigio.

The Granite Belt offers a perfect cyclists escape just 2.5 hours from Brisbane.
